Ethos and general values

Culford aims to provide an education which is challenging, enriching and fun. We are a Christian School with a Methodist Foundation, but pupils of all faiths and of none are welcome.

The guiding values at Culford School are those of fair mindedness, hard work, enjoyment and treating others with proper respect and consideration. We also attach great importance to manners, good discipline, service to others and to caring for the school and external environment. We value both effort and achievement and we encourage every positive contribution that a pupil makes to the life of the Culford School community.

The principles that make up the school's policies are addressed to each pupil. Some of them necessarily apply also to parents. Compliance is a condition of membership of the school.

Parents are asked to read through the detailed policies contained in the Parents' and Pupils' Handbooks with their son or daughter from time to time. Copies are available on request and may also be downloaded from the school website: culford.co.uk

Should you require copies of the Handbook to be sent to you, please contact the Headmaster's PA on (01284) 385302 or email hmpa@culford.co.uk
